**GAME**

As TEEG begins our 26th season, we call your attention to the humble beginnings of our amazing organization. In 1985, a small group came together to meet an identified community need in the specific village of North Grosvenordale formerly known as "Three Rows." TEEG has since grown beyond anything that could have been imagined by our founders.

As the social service agency of record for the towns of Thompson, Pomfret and Woodstock, and a contract service provider to our 10 town area for adult education and youth programs, TEEG has become a resource for our entire region, providing information, assistance and support to residents throughout the Quiet Corner.

when you hear "Play Ball!" and do what needs to be done to get the win. These are the qualities that separate the rookies from the veterans. They are also the reason why we dedicate this annual report celebrating teamwork to Fran Roy.

Recruited over 25 years ago, Fran was an instrumental founding member of the TEEG Board of Directors and continues to serve on the board today. As we prepare to begin our 26th season heralding the teamwork that has sustained us, Fran is our All Star. She has served as a leader, holding every office including Board President during her 26 year tenure. Always a visionary, committed and dedicated player on our team, Fran has never taken her eye off the ball!

# Swinging FOR THE FENCES

**L**ed by Richard Cass, the Executive Director of Eastern Connecticut Parent Child Resources, Sister Suzanne Gebrian, MSHS (Mission Helpers of the Scared Heart) and Thompson's First Selectman Don Williams, "Project Self Help" stepped up to the plate.

This fledging team focused on providing resources to the children in the immediate Three Rows community, and supportive guidance to their parents. They met regularly – working together to improve the quality of life in their neighborhood.

Parents were gathered to be a part of the solution. With the help of a gifted facilitator, Lorraine Kaul, this group stitched their way through the daily challenges of life and difficult parenting discussions. In doing so, they crafted the quilt "Three Rows: A Fabric Representation of Our Community."

This humble effort was the home run that set TEEG in motion. The colorful tapestry they created has become our Team pennant hangs proudly in our community room.

The mission that guided our founders still guides us today: work closely with the community, know those we serve by name, and **empower those who need us to help themselves**. As we get ready to start our 26th season, we honor the vision and dedication of the selfless volunteers who have served to lead our organization; some committing years of loyal stewardship, others decades. These individuals, our founders and the members of our Board of Directors, are commemorated on the team banners that line the TEEG Hall of Fame.

<b>Total times lives were touched by TEEG in the fiscal year 2012-2013</b>		<b>40,011</b>

**I**n baseball, success is measured by batting averages, home runs, runs batted in, earned runs and saves. The gains in social service may be different, but success is still measured by our stats. And we've got 'em for you right here!

Our staff has served 275 *more individuals* and 103 *more families* in 2013. We added programming and increased our capacity to allow us to touch lives on *4,336 more occasions* than in the past year. We are grateful for the trust Northeast Connecticut has placed in us to offer a hand up to our neighbors in need. **It is a privilege to serve and empower our community.**

### LEGEND:

[Q] = Thompson, Woodstock, Pomfret

[P] = Putnam

[N] = Northeast Corner

[C] = Connecticut

\*Total represents service delivered to 2,885 unduplicated individuals and 1,157 unduplicated families.

**FANS**  
IN THE  
**STANDS**

Leading the TEEG cheering section for the 2013 season are six of our loudest fans – Dushy and Alex Mahendran of Thompson, Paul and Joyce Larson of Woodstock, and Peter and Ginger Lusa of Pomfret. These couples know our organization from the inside out. All are past or present members of the TEEG Board of Directors and they each know how important it is to root for the home team!

## FROM MINORS TO THE MAJORS

*Team TEEG has come a long way. Each year we continue to grow as an organization, both in the numbers of people we are serving and in the ways we provide service.*

*We could not do this without the unprecedented amount of support from the Northeast community. In return, we continue to find new ways to support our community. Using social media and traditional outreach, we are implementing a communications strategy to make sure that our fans are always in the know. This effort is also important to our sponsors. Watch for TEEG news on Facebook, Twitter and in the papers covering our local communities.*

*As we head into our 2014 season, we also are building more collaborations to make our community healthier. We have accepted the responsibility to serve as the region's assister to bring knowledge and understanding about the Affordable Care Act to Northeast Connecticut. We are working with Day Kimball Hospital to establish a collaborative for child success; an effort to integrate new parenting programs with the hospital's many excellent child-focused prevention programs. Additionally, we are continuing our commitment as a HealthQuest partner, working on community engagement and quality nutrition as a priority in our Food Security program.*

*Team TEEG also renews our commitment to the local Early Childhood collaborative and provides high quality parent education programs to the region. We are excited to partner with Citizens National Bank on a new initiative for character-based lending, combining effective case management, sound budgeting and financial education to help many local families reach their next step toward independence.*

*As always, our involvement beyond the home field is essential to the vitality of our community. TEEG continues to engage with state partners, legislators and colleagues at the Department of Children and Families and the Department of Social Services to ensure our region has a voice in shaping the policies that will affect us.*

*As I reflect on my tenure as Team Manager, it is humbling to look back 15 short years ago. Back then we didn't have enough staff to field a baseball team... there were only five of us! Today Team TEEG goes into the new season 57 strong with 18 members of our Board of Directors and 39 staff...all committed to batting 1000 for Northeast Connecticut!*

*Dorisa M. Gast*

## MESSAGE FROM THE GM

*It has been my honor to lead the TEEG organization through the past two and half years. It has been a time of tremendous change for TEEG as we moved into a new Clubhouse, added players to the team roster, and recruited new sponsors. We also made great strides in securing the future of the franchise by establishing a TEEG endowment.*

*During this past year, our Board of Directors has worked to be pro-active, tapping into the strengths our members bring to the field. A hard working team of volunteers from Thompson, Woodstock, and Pomfret, they have a broad array of talents, represent many professions, and bring countless connections and personal interests that ensure we always have our bases covered!*

*The diversity on the TEEG Board allows us to handle the curveballs that come our way. Changes in government funding, the unfortunate loss of a grant source or the exciting news of a major new donor can change our game dramatically. Fortunately, the knowledge, vision and experience of our leadership allow the organization to manage the unexpected, stay focused on our mission and play through to win in the end.*

*I am proud of the members of our **board**, a team that is actively involved in planning for the future of TEEG and securing a future for our community. TEEG Board members are committed to rolling up their sleeves and stepping up to bat right through the 7th inning stretch to be sure that we can bring it on home!*

## 3 TEAM ROSTER ★

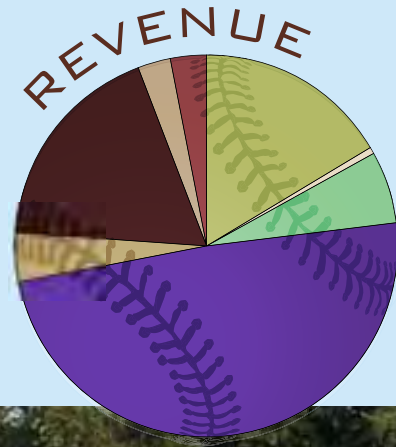

**E**very good team needs an investment strategy, and Team TEEG is no different. As we close our first quarter century, we are so grateful to our fans for the financial position they have helped us to achieve.

With vigilant budgeting practices, frugal spending policies and an ever-watchful eye on the bottom line, TEEG has established a culture of quality service delivered with minimal investment. We're able to do this because we are the grateful benefactors of many wonderful gifts in terms of time, talent and dollars.

Donations to TEEG go into lots of buckets – day-to-day operations, program supplies, and staffing to name a few. But some donations come to TEEG with a designated purpose in mind. These are set aside to help a specific group of people by request of the donors.

While these funds are modest, they can often provide a ray of hope in what may seem like a hopeless situation. Our client focused funds include:

**Pomstock.** Established in 2012 by a compassionate group of TEEG supporters wanting to be sure the basic needs of neighbors helping neighbors could be met.

**Ashway.** Established in 2009 by the Ashway Foundation, this fund assists families with children who have a complex medical condition.

**Private Fuel.** Established in 2008, a fund for each TEEG community, Thompson, Pomfret and Woodstock assists families who do not qualify for any formal fuel program, yet they have a fuel emergency. These funds are supported by individual donations from residents, community fuel drives and local public funds.

**Homelessness Fund.** Established in 2004 by students in the Tourtellotte Memorial Honor Society, this fund provides various types of support or relief to homeless citizens in TEEG’s service area. This fund is sustained with the ongoing efforts of TMHS students who are joined by fellow students at Woodstock Academy and Marianapolis working together to raise awareness regarding the issue of homelessness.

In addition, for the first time in TEEG’s 26 year history, a significant private donation has allowed our agency to invest in the future. Guided with an eye on the horizon and the desire to protect TEEG’s resources for our community to count on for decades to come, the TEEG board established an endowed account. This forward thinking will allow us to serve future generations and ensure our ability to celebrate 50 years of continuous service to the community!

# OUR VOLUNTEERS

Bring It On

# HOME

Every team is supported by **DEDICATED** "roadies" – those **SELFLESS** individuals who **WILLINGLY** go wherever the team is headed. These are the people who give up their **TIME** and rearrange their **LIVES** to accommodate the team schedule. Team TEEG **the SACRIFICE** it takes better than most!

Our volunteers are ever-at-the-ready, always willing to come when they are needed. It doesn't matter if the call goes out to pack back-to-school backpacks, sort holiday toys, assist with food distribution, pick crops or weed gardens, our volunteers have more than enough team spirit to get the job done!

# Thanks to the TEEG ENTOURAGE

Every successful organization needs a dedicated support team, and TEEG is no exception! We are so fortunate to have a squad of dedicated attendants to keep us looking good and ready to stand up to the plate. MAD Communications and Angell House Designs provide the guidance and direction for TEEG to get our message out year after year. Our annual report, website, marketing and media relations are managed by this outstanding team of professionals. The TEEG organization is grateful that they chose us to be their Home Team!

And what would any respectable organization do without a team photographer? Fortunately, Team TEEG doesn't have to answer that question! We're grateful that Mike Bernier has his eye behind the lens, capturing every play for perpetuity ... and our annual report!

over  
till it's over.”*
